Restrictions on Use: Safe for interior or feed-contact surfaces

Manufacturer: Weather Boss Global LLC

Address: 1108 14th St. #125, Cody, WY 82414

Phone: (307) 254-3204

Email: info@weatherboss.com

Emergency Contact: Local Emergency Services

SECTION 2: Hazard Identification

Classification: Not classified as hazardous under 29 CFR 1910.1200 (HazCom 2012)

Signal Word: None

Pictograms: None

Hazard Statements:

- Product is not combustible or flammable
- May cause mild skin or eye irritation in sensitive individuals

Precautionary Statements:

- Use in well-ventilated areas
- Avoid contact with eyes or prolonged skin contact

- Wear gloves and safety glasses during use

SECTION 3: Composition/Information on Ingredients

Mixture: Proprietary blend of natural plant-based oils, trans-oxide pigments, and eco-safe additives

- Does not contain petroleum solvents or heavy metals
- No ingredients present at reportable levels under 29 CFR 1910.1200

SECTION 4: First Aid Measures

Inhalation: Move to fresh air. If symptoms persist, seek medical attention.

Skin Contact: Wash thoroughly with soap and water. Seek medical attention if irritation develops.

Eye Contact: Flush eyes with clean water for at least 15 minutes. Remove contact lenses. Seek medical attention if irritation continues.

Ingestion: Rinse mouth. Do not induce vomiting. Get medical advice if large quantity ingested.

SECTION 5: Fire-Fighting Measures

Suitable Extinguishing Media: CO₂, dry chemical, water mist

Specific Hazards: Product does not support combustion

Protective Equipment: Standard protective gear for surrounding materials

SECTION 6: Accidental Release Measures

Personal Precautions: Use protective gloves and eye protection. Ensure adequate ventilation.

Spill Cleanup: Absorb with sand or inert material. Collect in closed containers for disposal per local regulations.

Environmental Precautions: Avoid runoff into waterways or drains.

SECTION 7: Handling and Storage

Handling: Avoid direct contact. Wash hands after use. Do not eat or smoke during use.

Storage: Store in tightly sealed containers between 40°F and 90°F. Keep out of reach of children.

SECTION 8: Exposure Controls / Personal Protection

Exposure Limits: Not applicable

Ventilation: Use in well-ventilated areas

Personal Protective Equipment:

- Respiratory: Not normally required
- Eyes: Safety glasses recommended
- Skin: Impermeable gloves recommended

SECTION 9: Physical and Chemical Properties

Appearance: Viscous liquid (various colors)

Odor: Mild, natural oil scent

Flash Point: None (non-combustible)

VOC Content: 125 g/L

Specific Gravity: ~0.95–1.05

Water Solubility: Not soluble

pH: Not determined

Viscosity: Medium

SECTION 10: Stability and Reactivity

Stability: Stable under normal use

Conditions to Avoid: Extreme heat or freezing

Hazardous Reactions: None known

Decomposition Products: None known under normal use

SECTION 11: Toxicological Information

Routes of Exposure: Skin, eyes, ingestion

Acute Effects: Low hazard under normal use

Skin: May cause dryness or irritation

Eyes: May cause temporary discomfort

Chronic Effects: None known

SECTION 12: Ecological Information

Environmental Impact: Product is designed to be eco-friendly

Mobility in Soil: Low

Persistence and Degradability: Expected to degrade over time

Bioaccumulation: Not expected

Aquatic Toxicity: No data, but components are low-risk

SECTION 13: Disposal Considerations

Dispose of in accordance with local, state, and federal regulations. Do not pour down drains or into waterways.

SECTION 14: Transport Information

UN Number: Not applicable

Transport Hazard Class: Not regulated

Packing Group: Not applicable

DOT Classification: Not regulated

IMDG/IATA: Not classified as dangerous

SECTION 15: Regulatory Information

TSCA Inventory: All ingredients are listed or exempt

SARA 311/312: Not hazardous

California Prop 65: Product does not contain chemicals known to cause cancer or reproductive harm

SECTION 16: Other Information
